Judge Picks Prosecutor For Bethell

Judge Matthew S. Braniff today appointed Robert J. Zibilich as ad hoc district attorney to prosecute Thomas Bethell, charged with unauthorized use of the DA's files.

Braniff yesterday ordered that Dist. Atty. Jim Garrison be recused in the case.

In his ruling, Judge Braniff acted on a motion by Bethell, the former London school teacher accused of showing the state's trial file memorandum in the Clay Shaw conspiracy case to one of Shaw's attorneys, Salvador Panzeca.
